# TILE SPACERS

## Tile Spacers for 1/8 " Joints

The principal use of the 1/8 in. tile spacers is for large format or rectified ceramic tiles, particularly with thin joints. The RUBI 1/8 in. tile spacers are manufactured with a quality base material and are completely free from impurities and imperfections.

**Item # 2281**

## Tile Spacers for 1/16 " Joints

The 1/16 in. tile spacers are recommended for fitting wall and floor ceramic tiles with minimal joints. RUBI manufactures 1/16 in. tile spacers with a quality base material, meaning that they are completely free from impurities and imperfections.

**Item # 2280**

# TILE WEDGES

## Tile Wedges 3/16"

Ceramic tile installers, particularly for flooring jobs, know that the best possible finishes are achieved using RUBI wedges for tiling. RUBI wedges for tiling are manufactured with quality base material and are completely free from impurities and imperfections. RUBI wedges for tiling let you align the slopes and curvatures that can appear with ceramic tiles during tiling jobs.

**Item # 2950**

# KNEE PADS

## Gel Duplex Knee Pads

Professional knee pads with ergonomic design. Their design combines the use of hard materials to protect against impacts and uneven floors and soft materials adaptable to the user's anatomy on the inside.

**Item # 81989**

# SPONGES

## SuperPro Sponge

With the SUPERPRO range of sponges, RUBI offers ceramic tile installers one of the most varied and comprehensive ranges on the market. SUPERPRO sponges are characterized by their quality and size, especially suited to facilitate the cleaning stages of ceramic tile installing jobs.

**Item # 20905**

## PRO Sponge Float w/ Plastic Handle

The RUBI PRO sponge float with plastic handle is ideal for general cleaning of all types of surfaces, particularly for the cleaning that ceramic tile installers have to carry out after fitting, like grouting.

**Item # 24988**

# SCRAPERS & NIPPERS

## RubiScraper

Electric scraper perfect for grout removal without breaking the tile. It's an ergonomic tool and easy use with 3 speed options. Interchangeable and resharpenable blades available.

**Item # 66942**

## Nippers for Ceramic Tiles

The RUBI nippers for ceramic tiles have two tips with extremely hard tungsten carbide edges. The RUBI nippers for ceramic tiles are specially designed so that the tungsten carbide edges never come into contact with one another. Owing to this, the life and duration of the parrot nippers is much longer.

**Item # 65926**

# BLADES

**Diamond Blade 4-1/2" (Dry)**

The VIPER diamond blade is recommended for the dry cutting of hard materials such as granite, rustic tiles, clinker, refractory, slate and porcelain tile.

**Item # 31927**

**Diamond Blade 10" (Wet)**

The VIPER diamond blade is recommended for the wet cutting of hard materials such as granite, rustic tiles, clinker, refractory, slate and porcelain tile.

**Item # 31941**

**Glass Blade 10" (Wet)**

GLASS wet cut diamond blades by RUBI are specially designed to offer the ceramic tile installing professional the best performance in cutting glass materials and glass mosaic.

**Item # 31919**

**Arrowhead Diamond Blade 10" (Wet)**

The ARROWHEAD diamond blade is particularly recommended for straight cuts in porcelain tiles and especially in those jobs requiring a high cutting speed without sacrificing high levels of performance and quality.

**Item # 31900**

# BLADES

**Arrowhead Diamond Blade 4-1/2" (Wet/Dry)**

The ARROWHEAD diamond blade is particularly recommended for straight cuts in porcelain tiles and especially in those jobs requiring a high cutting speed without sacrificing high levels of performance and quality.

**Item # 31916**

**Viper Diamond Blade 7" (Wet)**

The GLASS diamond blade is particularly recommended for straight cuts in glass materials and glass mosaic and especially in those jobs requiring high levels of performance and quality.

**Item # 31929**

**Porcelain Blade 7"**

Recommended blade to cut fine porcelain tiles.. High Tech.  
High speed on porcelain tiles.

**Item # 31912**

**Venom Blade 10" (Wet)**

Recommended blade to cut Porcelain, Ceramic, Glass, Marble, Granite, Natural Stone. The specific design of the diamond band offers greater speed of cutting harder materials without sacrificing finish quality. 5/8" ring adapter included. Thicker center to avoid vibrations and wobbling

**Item # 31912**

## CLEANING BLOCKS

### N-Cleaning Block

Specifically designed to bring back the diamonds on the rim of diamond blades when cutting porcelain. Made of silicon carbide with a #20 grit.

Item # 05974

### Cleaning Block

For cleaning of diamond blades. Made of corindon with a #100 grit.

Item # 05973

## MIXER & MIXING PADDLES

### RubiMix-9-N Mixer

The RUBIMIX-9-N is a mortar mixer noted for its versatility. By simply changing the mixing paddle, the RUBIMIX-9 N is perfectly suited to mixing cement adhesives, resins, paints and other materials. Equipped with a two-speed gearbox and an electronic controller for optimizing the mixing speed of each material, the user will always obtain the most homogeneous mixture possible.

Item # 24949

### Hexagonal Standard Liquid Mixer Paddle

The mixing blades on the head of the ML-100 standard paddle are rounded paddles. This reduces the mixing capacity of the paddle, but facilitates its use and there is also less resistance.

Item # 76908

# DRILL BITS

## Easy Gres 1/4" & 3/8"

The EASY GRES guide allows holes both vertically and horizontally, thanks to its functional design incorporating a water tank with flow control valve.

**Item # 4909**

## Easy Gres 1/4"

The quality of the diamond allows the drilling of ceramics, porcelain, granite, marble and glass.

**Item # 4920**

## Easy Gres 3/8"

Diamond drill bits to be used with electric drill without hammer. The quality of the diamond allows the drilling of ceramics, porcelain, granite, marble and glass.

**Item # 4924**

## Easy Gres 1-3/8"

Diamond drill bits to be used with electric drill without hammer. The quality of the diamond allows the drilling of ceramics, porcelain, granite, marble and glass.

**Item # 5963**

## Dry Gres 1-3/8"

For drilling in dry wall, stoneware and porcelain tiles. Maximum operating speed 14,000 RPM. M14 thread finish. Usable with grinder (direct connection) or electric drill.

**Item # 5987**

# SCORING WHEELS

## 7/8 in Scoring Wheel

Roller guide adaptable to TP professional cutters. The 7/8 in. roller guide is made of tungsten carbide. The exclusive machining and grinding of the RUBI 7/8 in. scoring wheel allow them to offer exceptional quality in scoring of both porcelain tiles (Bla type) and glazed stoneware (BIIa type) tiles.

**Item # 18914**

## 1/4 in Scoring Wheel

The RUBI 1/4 in. scoring wheel includes a roller guide made of tungsten carbide and is highly resistant to wear.

**Item # 01945**

## 3/8 in Scoring Wheel

The exclusive machining and grinding of the roller guide on the RUBI 3/8 in. (10mm) scoring wheel allows this scoring wheel to offer exceptional quality in scoring of stoneware ceramic tiles (BIIa type), especially those with semi-rough finishes.

**Item # 01946**

## 5/16 in Scoring Wheel

The exclusive machining and grinding of the RUBI 5/16 in. (8mm) scoring wheel's roller guide allow this scoring wheel to offer exceptional quality in scoring of both polished and glazed porcelain tiles (Bla type).

**Item # 01958**

## Scoring Wheel Kit

Includes 1/4", 5/16", 3/8", 3/4", 7/8" wheels.

**Item # 01996**

# FLOATS & TROWELS

## Pro Rubber Grout Float w/ Rubber Handle

The PRO grout float model features a white abrasion resistant rubber sheet, and offers good flexibility, ideal for filling joints up to 1/8 in. wide. This flexibility ensures homogeneous joint filling and perfect compaction of the grouting material.

Item # 10607

## European Notched Trowel

Steel plate special high wear resistance with corrosion protection by clear coat (STEEL). Ergonomic RUBIFLEX handle with two textures. Also features perfect flatness of the plate.

Item # 72949

## Open RUBIFLEX Handle

Trowel and notched trowel models with open handles facilitate control when applying material. One of the features which professional ceramic tile installers like so much about this type of handle is that, thanks to its opening, the tool can be hung from the edge of the bucket, basket or any other container holding the material to be applied. This allows you to have the trowel or notched trowel handy and clean at all times.

74981	3/8"	1/4"
74982	1/2"	1/2"

## BRIDGE SAWS

### RUBI DC-250

The RUBI DC-250 range of tile saws is formed by machines with mobile heads offering the professional tile installer maximum functionality and reliability. The DC-250 is ideal for intensive cutting of glazed and stoneware tiles, as well as for cutting porcelain tiles or the occasional cutting of natural stone. Cutting length 47-7/16". Diagonal 33-1/2" X 33-1/2". Maximum cutting thickness 2-1/2"-3/12". Miter cutting length 8". Miter cutting thickness 2"

**Item # 55948**

### DS-250-N Laser & Level

RUBI offers the professional range of DS-250-N Laser & Level tile saws. A range of cutters with highly accurate mobile heads that are ideal for miter cuts. Its powerful 3 HP motor makes the DS-250-N Laser & Level range by RUBI ideal for cutting and mitering of all types of ceramic tiles and especially porcelain tiles. Of course, the DS-250-N are also an ideal solution for cutting natural stones such as marble, granite, slate, etc. Cutting length 59.84". 10" blade. 61" in length.

**Item # 52944**

### RUBI DC-250-850

The RUBI DC-250 range of tile saws is formed by machines with mobile heads offering the professional tile installer maximum functionality and reliability. The DC-250 is ideal for intensive cutting of glazed and stoneware tiles, as well as for cutting porcelain tiles or the occasional cutting of natural stone. 10" blade. Cuts 38" straight & 27" diagonal.

**Item # 54924**

## WET SAWS

### DT-250 Evolution 10" Wet Saw w/ Stand

The DT-250 EVOLUTION is an electric wet tile cutter that is ideal for cutting all types of ceramic tiles and other materials. Equipped with a powerful 15 Amp 4000 rpm motor, with brake included for greater safety at work. Movable table system, made of aluminum and a rubber cover to offer an optimum robust and durable work surface. Cuts 24" straight & 18" diagonal.

**Item # 58995**

### DX-250 PLUS Laser & Level 60" Wet Saw

The DX-250 PLUS Laser & Level is a tile saw with a mobile head, equipped with a plunge effect to give professionals great versatility in cuts. Thanks to its 2 HP motor, the DX-250 PLUS is ideal for cutting all types of ceramic tiles and building materials such as marble, granite, bricks, facing, refractories, etc. Maximum cutting length 59". Maximum diagonal cut 42" X 42". Maximum cutting thickness 2-3/4".

**Item # 52951**

# RUBICLEAN

## RubiClean Eco Kit

Includes RubiClean Eco bucket, standard sponge, rubber trowel for joints, & high absorption sponge plus with handle.

Item # 68910

# TILE CUTTERS

## TP-S Tile Cutter

These tile cutters are designed for intensive work with any type of ceramic tile. TP-S tile cutters are ideal for cutting porcelain tiles (Bla type). Cutting length 29-1/2". Diagonal cutting length 20-7/8". Cutting height 3/16" - 7/8".

Item # 12928

## Speed Tile Cutter

The SPEED range cuts 25" straight & 18" diagonal. Includes case. They are perfect for cutting BIII tiles and stoneware, both for straight and diagonal cuts, offering greater cutting precision.

Item # 13963

## Speed Magnet Tile Cutter

The SPEED-MAGNET range of tile cutters are cutters with double guides, therefore they offer better visibility during scoring and cutting. They have a mobile breaker that facilitates performing angular cuts.

ITEM #	CUTTING LENGTH	DIAGONAL CUTTING LENGTH	CUTTING HEIGHT	SEPARATOR POWER	WITH CARRYING CASE
14988	24.4"	17.7" X 17.7"	1/8" X 5/8"	1763 lbs	✓

## LEVELING CLIPS

Leveling Clip 1/32" (3000/box)

Item # LS3000CLIP132

Leveling Clip 1/16" (250/bag)

Item # LS250CLIP

Leveling Clip 1/8" (500/bag)

Item # LS500CLIP18

Leveling Clip 3/16" (2000/box)

Item # LS2000CLIP316

**\*other packaging quantities are available**

## PLIERS

Ergonomic, tension adjustable plier for floor installation.

Item # LSPLIERF

Ergonomic, tension adjustable plier for wall installation.

Item # LSPLIERW

## GROUT FLOATS

Scrub pad float kit with ergonomic white handle. Pads are securely held on with Velcro.

Item # SPHKIT

Raimondi 'Smart Float' is a rigid, light, and ergonomic handle with rubber pad (neutral colored). The pad has sharp edges, which is ideal for mosaic installation.

Item # 136USA

Epoxy dual edge float. Ergonomic, strong, and light handle with dual edges of rubber allows the best application of all epoxy grout.

Item # GFEE

## BUCKETS

**Smart Wash-Bucket** used for cleaning grout from walls to floors. High load resistance grading. Includes 6.6 gallon bucket, 2 rollers, screen, & replaceable sponge & sponge handle.

23" X 12" X 10"

Item # WBSMART

**Wash-Bucket** equipped with removable plastic bag for easy removal and disposing of grout residue and dirty water, eliminating time when washing the bucket. Three rollers mounted on socket to prevent the sponge float from touching the rim and avoiding water dripping. The bucket is entirely designed, from the edge of its rollers to the rim of the bucket to avoid water drips and for a cleaner work area.

23" X 12" X 10"

Item # WBEASY

The **Jobsite Wash-Bucket** best for cleaning grout from walls to floors is made of impact resistant plastic for a longer life. Three high impact PVC rollers mounted on steel axles in the bucket should never need replacement under normal bucket usage. 3 gallon bucket.

26" X 12" X 12"

Item # WBJWB

## VIBRATING SYSTEM

**Mastino Vibrating System** is for laying tile in mud bed using the vibration method. Three vibration speeds: 5,000/7,000/10,000 rounds per minute.

Item # VSMASTINO

**Volpino Vibrating system** is for large format tiles. It is also for full binding of adhesive and expulsion of air that might be trapped under tile and/or slab.

Item # VSVOLPINO

# STONETECH<sup>®</sup>

## PROTECT

### Heavy Duty Sealer

A heavy duty sealer that protects against most stains on a variety of stones, all while preserving the natural look of the stone.

**Pint: # D14924289**

**Quart: D14924296**

### Grout Release (GAL)

Pre-apply STONETECH Grout Release on stone surfaces to easily remove grout residue.

**Item # D12612458**

### Grout Release

Pre-apply STONETECH Grout Release on stone surfaces to easily remove grout residue.

**Item # D12612458**

### Heavy Duty Grout Sealer

STONETECH<sup>®</sup> Heavy Duty Grout Sealer is designed for cement based grout and protects against oil and water-based stains.

**Quart: # D14670191**

**Gallon: # D14608504**

### Bulletproof<sup>®</sup> Sealer

Advanced sealer, designed to provide maximum protection on nature stone against the toughest oil and water-based stains.

**Pint: # D14924218**

**Quart: # D14924225**

**Gallon: # D14924240**

# STONETECH<sup>®</sup>

## PROTECT

### Heavy Duty Exterior Sealer (QT)

STONETECH<sup>®</sup> Heavy Duty Exterior Sealer is a solvent based, natural look sealer which offers heavy duty protection, water repellency and weather resistance to natural stone and masonry surfaces.

**Item # D15233316**

### Impregnator Pro<sup>®</sup> Sealer

STONETECH<sup>®</sup> Impregnator Pro<sup>®</sup> is a solvent based sealer which preserves the natural look of stone surfaces.

**Pint: # D14924114**

**Quart: # D14924124**

### Stain Protecting Grout Additive

STONETECH<sup>®</sup> Stain Protecting Grout Additive improves grout to ensure a lasting stain-proof\* finish.

**Item # D14822821**

### Natural Stone Countertop Sealer

A water-based, easy-to-use countertop sealer that offers heavy duty protection against most water and oil-based stains.

**Quart: # D14924364**

**Gallon: # D14924379**

### Advanced Grout Sealer Spray (24oz)

STONETECH<sup>®</sup> Advanced Grout Sealer is a quick and easy to use grout sealer which helps keep cement based grout looking new.

**Item # D14924057**

# STONETECH<sup>®</sup>

## CLEAN

### Restore™ Acidic Cleaner

STONETECH<sup>®</sup> Restore™ Acidic Cleaner is a heavy duty acidic cleaner that renews the look of tile and grout.

**Item # D14446083**

### Revitalizer® Cleaner & Protector

STONETECH<sup>®</sup> Revitalizer<sup>®</sup> Cleaner & Protector is an all-in-one formula that cleans everyday messes while reinforcing protection.

#### CITRUS SCENT

**24oz Spray: # D14608351**

**1 Gallon: # D14608371**

#### CUCUMBER SCENT

**24oz Spray: # D14608393**

**Gallon: # D14608414**

### Stone & Tile Cleaner

STONETECH<sup>®</sup> Stone & Tile Cleaner is a daily cleaner designed to clean every day messes on natural stone and tile.

**Item # D14436698**

### KlenzAll™ Cleaner

STONETECH<sup>®</sup> KlenzAll™ Cleaner is a heavy duty cleaner made to clean the toughest soils on natural stone and tile.

**Item # D12612328**

### Heavy Duty Coating Stripper

STONETECH<sup>®</sup> Heavy Duty Coating Stripper is specifically formulated to safely break down coatings and epoxy grout haze.

**Item # D15062814**

# STONETECH<sup>®</sup> CLEAN

## **Mold & Mildew Stain Remover**

STONETECH<sup>®</sup> Mold & Mildew Stain Remover is a ready-to-use specialty cleaner that removes unsightly mold and mildew stains from natural stone surfaces.

**Item # D14822797**

## **DeepKlenz™ Cleanser**

STONETECH<sup>®</sup> DeepKlenz™ Cleaner is formulated to easily power through and remove deep and stubborn grease, dirt, and food stains.

**Item # D12549683**

## **Stainless Steel Pro Cleaner**

STONETECH<sup>®</sup> Stainless Steel Pro Cleaner safely cleans and provides a streak-free finish on stainless steel surfaces.

**Item # D14820565**

## **Soap Scum Remover**

STONETECH<sup>®</sup> Soap Scum Remover is a ready-to-use specialty cleaner that safely removes soap scum from natural stone surfaces.

**Item # D14822742**

# TRANSFORM

## **Enhancer Pro Sealer (QT)**

STONETECH<sup>®</sup> Enhancer Pro™ Sealer is a heavy duty sealer that seals and enhances the surface to a deep rich color.

**Item # D14345943**

# SEAL & PROTECT

## 511 Anti-Slip Formula

511 Anti-Slip Formula is a penetrating sealer designed for the anti-slip protection of all tile and stone surfaces. 511 Anti-Slip Formula is not a surface coating and will not alter the natural look. All surfaces treated are less slippery

**Item # ANTISLIP6/1**

## Grout Sealer (6oz)

Grout Sealer is a sealer designed for the protection of all sanded and non-sanded grout joints. Grout Sealer forms an invisible barrier that is resistant to moisture and stains while allowing vapor to escape. Grout Sealer is not a surface coating and will not alter the natural look.

**Item # GRTSLR6OZ 12/1**

## 511 H2O Plus Sealer

511 H2O Plus is a unique water base penetrating sealer designed for the protection of all natural stone, tile, grout and masonry surfaces where a water based product is preferred. 511 H2O Plus is not a surface coating and will not alter the natural look. 511 H2O Plus does not produce a strong odor.

**Quart: # H2OPLQT6/1**

**Gallon: # H2OPLUSG**

## 511 Porous Plus

511 Porous Plus is a penetrating sealer designed for the protection of the most porous surfaces. 511 Porous Plus forms an invisible barrier that is resistant to moisture and stains while allowing vapor to escape.

**Pint: # PLUSP**

**Quart: # PLUSQ**

**Gallon: # PLUSG**

## 511 Spray-On Grout Sealer

511 Spray-On Grout Sealer penetrates into the surface and forms an invisible barrier that is resistant to moisture and stains, while allowing vapor to escape. 511 Spray-On Grout Sealer can be applied to freshly installed grout as quickly as 2 hours after grouting. 511 Spray-On Grout Sealer is U.V. transparent and will not yellow under any circumstances.

**Item # 511SPRAY**

# SEAL & PROTECT

## 511 Seal & Enhance

511 Seal & Enhance is a unique, solvent-base formula designed to eliminate the need to use an impregnator before using a color enhancer for maximum stain protection and superior color enhancement. 511 Seal & Enhance is safe for use on granite, marble, limestone, natural stone, slate, ceramic tile, quarry tile and grout surfaces.

**8oz: # SE/EN8OZ12/1**

**Pint: # SEAENHP**

**Quart: # SEAENHQ**

**Gallon: # SEAENHG**

## 511 Impregnator

511 Impregnator is the original penetrating sealer designed for the protection of all medium to dense porous surfaces. 511 Impregnator forms an invisible barrier that is resistant to moisture and stains while allowing vapor to escape. 511 Impregnator is not a surface coating and will not alter the natural look. All surfaces treated are harder and less slippery.

**Pint: # 511P**

**Quart: # 511Q**

**Gallon: # 511G**

# GROUT ADDITIVE

## Miracle Grout Shield

Miracle Grout Shield New & Improved is a specialty sealer additive, made to replace water in mixtures with sanded or non-sanded grout.

**24oz: # GRSHN&I4/1**

**70oz: # GRSHN&I2/1**

# RESTORE

## Miracle Travertine Fill Kit

Miracle Travertine Fill Kit permanently repairs holes, missing travertine fill and cracks.

**Item # TRAVFIL6/1**

# CLEAN & MAINTAIN

## **Epoxy Grout & Film Remover**

Epoxy Grout Film Remover is a non-acid cleaner designed for the removal of epoxy grout film from tile, concrete and stone surfaces.

**Quart: # EPOXREMQT**

**Gallon: # EPOXREMG**

## **Heavy Duty Acidic Cleaner**

Heavy Duty Acidic Cleaner is a fast acting, heavy duty acid cleaner for textured, non-polished, natural and manufactured surfaces. Heavy Duty Acidic Cleaner removes sanded grout and mortar residue, joint cement, lime and hard water deposits, efflorescence, rust and other heavy dirt and grime.

**Item # HDAC6/1QT**

## **511 KLEEN & RESEAL Spray (32oz)**

511 Kleen & Reseal is a unique formula designed to remove dirt and soil from natural stone and tile, including vanities, showers and furniture and reseals in one easy step. Kleen & Reseal will cut through dirt and soil with no rinsing, no streaking and no soapy residue left behind. 511 Kleen & Reseal is safe for all types of surfaces.

**Item # KLERES**

## **Liquid Poulitice Set A-B**

Liquid Poulitice is a safe cleaner designed for deep cleaning all porous materials and grout including acid sensitive surfaces.

**Item # LIQQ**

## **Miracle Heavy Duty Substitute (Acid Substitute)**

Miracle Heavy-Duty Cleaner is a revolutionary patent-pending water-based industrial cleaner designed to remove grout haze, built-up grease, dirt and stains from all ceramic, porcelain, grout, glass and Natural Stone. Miracle Heavy-Duty Cleaner will not hurt or remove the finish or polish on acid sensitive surfaces including marble.

**Quart: # MHDCQT6/1**

**Gallon: # MHDCGAL4/1**

# CLEAN & MAINTAIN

## Phosphoric Acid Cleaner (GAL)

Cleaning for cast surfaces including pre-cast concrete, non-polished natural surfaces including flamed and honed granite, tumbled and honed marble, cleft & hone slate, quarry tile, flamed and honed limestone, unglazed ceramic tile, porcelain tile, cement grout, brick, concrete, mortar and masonry.

Item # PCCG

## Porcelain & Ceramic Tile Cleaner (QT)

Porcelain & Ceramic Tile Cleaner is a unique penetrating scouring compound that quickly and easily removes stubborn stains, grease, soap scum, heel and scuff marks, dirt and everyday grime. Porcelain & Ceramic Tile Cleaner can be used by hand or with a floor machine and will also clean grout very well. Porcelain & Ceramic Tile Cleaner will also remove hard water deposits and soap scum on stone showers.

Item # PORCLEQ

## Poulitce Plus (1 LB)

Poulitce Powder is an easy to use, fine, non-acidic absorbent powder designed to work with different cleaners/chemicals to draw out most stains from most absorbent surface materials.

Item # POULPLUS3/1

## Tile & Stone Cleaner

Tile & Stone Cleaner is a pH neutral cleaner designed for all tile, stone, grout and masonry surfaces. Strong enough for the professional, yet gentle enough for the do-it-yourself specialist. Tile & Stone Cleaner is a nontoxic cleaner that can handle the most difficult stains, yet is gentle enough for everyday use.

32oz Spray: # TSC6/1 32OZ

Quart: # TSC6/1QT

Gallon: # TSC4/1GAL

## COLOR ENHANCE

### Miracle Grout Pen

The safe, easy way to maintain beautiful tile areas by covering up stubborn stained grout! Much easier to use than traditional grout colorants, Miracle Grout Pen Markers dry rapidly and leave a clean, uniform grout line without harsh chemicals and is completely odorless - no fumes!

**Buff: # GRT PEN BUFF**

**White: # GRT PEN WHT**

### Mira Matte (QT)

Mira Matte allows vapor to escape while offering a scuff and weather resistant surface. Mira Matte is U.V. transparent, will not yellow and can be used on both interior and exterior applications.

**Item # MIRAQ**

## ADDITIONAL TOOLS

### Mira Brush Applicator & Tray

The Miracle Sealer Applicator & Tray can be utilized with all 511 products (except Mira Matte), as well as other sealers and enhancer brands. It has a unique foam pad that holds the sealer/enhancer within the pad. This foam aids in evenly distributing the product over the surface being treated and allows for a more controlled application.

**Item # APLTRAY8/1**

### Haze-B-Gone

Haze b Gone is a safe, environmentally friendly and easy-to-use method for removing Portland cement grout haze and mortar residue from ceramic tile, porcelain tile, glass tile and natural stone surfaces. No more harmful acids or other time consuming liquids that require drying before completion.

**Item # HAZE B GONE**

**Refill Only: # HAZE B GONE REFILL**

Quality Products Since 1927

# FLOATS

## Premium Float (Tan/Black)

These floats feature a 100% gum rubber face for long wear. The gum rubber face is bonded to a dense foam rubber pad and one end has both corners rounded. For use on walls and floors.

Item # 43

## Premium Toe Space Float

Offset handle and narrow pad permit easier horizontal and vertical grouting in toe space areas such as under kitchen cabinets and vanities.

Item # 44

## Green Gum Float

These floats are made of 100% gum rubber for long wear on epoxy grout cleanup work. Can also be used with sanded grouts, and the rubber edges can be sanded to maintain their original sharpness.

Item # GK-1

# TROWELS

## Trowel Margin 5" X 2"

Marshalltown trowels are top quality professional tools. Each trowel is forged from a single piece of highest grade tool steel that is tempered, ground and polished from toe to heel. The hardwood handle has a steel ferrule for added handle strength.

Item # 52

## Margin Float

This margin float has an 1/8" premium gum rubber pad bonded to dense foam rubber with a steel backing plate. Great for use on toe-kick areas, backsplashes or around toilets. Has a plastic and rubber handle for a comfortable grip.

Item # 43-M

## Gauging Trowel 7" X 3-3/8"

Marshalltown trowels are top quality professional tools. Each trowel is forged from a single piece of highest grade tool steel that is tempered, ground and polished from toe to heel. The hardwood handle has a steel ferrule for added handle strength.

Item # 48

# SAWS

## 7" Grout Saw

Used for removing ceramic wall tile grout, this saw has a replaceable 2" long blade that is tipped with tungsten carbide grit for fast cutting and long life. Blade is approximately 1/16" wide. For wider joints, two blades can be mounted on either side of the handle. Plastic handle tool is 7" long.

Item # GS50

Replacement Blade: Item # GS50-RB

## 2" Diamond Grit Hole Saw

For use on all types of ceramic tile and other hard materials to give clean cut holes. Maximum cutting depth is 1-1/4". Must be used with water coolant and useful life may be as little as a single hole due to tile or stone hardness. As such, hole saws are not guaranteed. Order hole saw arbors and accessories separately.

Item # D0200

## 1/2" Scoring Wheel Carbide

This 1/2" diameter wheel gives easier, deeper scoring on harder tile and stays sharp longer. Fits all Superior and Crain models, except the Crain No. 045X. Supplied complete with screw, bushing, washer, lock nut and mounting instructions.

Item # 400GU

# GROUT SEALER & QUICK PITCH

## Grout Sealer (15oz)

No. GS02 Grout Sealer is a solvent based formula sealer designed for immediate application and deep penetration on grout. It provides the ultimate protection against both oil and water based stains while still allowing the sealed grout to breathe.

Item # GS02

## Quick Pitch Standard Kit

For standard 36" x 60" shower areas with a centered drain, or custom shower areas where the drain is within 36" of each wall. Included in each package is one each Center Ring and 6 each Standard Float Sticks (1" to 1-3/4" taper x 36" long) that attach in any of the 24 slots on the Center Ring.

Item # QPK-101

# CUTTERS

## Deluxe Big Clinker Cutter

This cutter has a four-position scoring height adjustment knob to allow scoring and cutting of tiles up to 3/4" thick. Sheet mounted mosaic tiles are easily cut by scoring all tiles, raising the wheel position and then individually breaking each tile.

**27-1/2": # JP-700STW**

**Cuts 27" straight & 19-1/2" diagonal**

**24-3/4": # JP-630STW**

**Cuts 24" straight & 17-1/2" diagonal**

**22": # JP-560STW**

**Cuts 2" straight & 15-1/2" diagonal**

## 19" Power Clinker Tile Cutter

This cutter has a 16 mm diameter dual chrome plated steel bars, a 3-1/2" wide breaker foot and a 8" wide protractor gauge. Cuts 18" straight & 13" diagonal.

**Item # MX-480S**

## 34-1/4" Premium Jet Turbo Tile Cutter

This cutter has a wheel holder held in place by a wing screw that adjusts for four scoring height positions to allow scoring and cutting tiles up to 3/4" thick. The handle and bearing block assembly has a total of six ball bearings, rides over a chrome plated H-shaped steel rail and is adjustable to maintain smooth scoring action. The two 16" long steel extension arms can be positioned anywhere along the base and are spring loaded to hold any position from 0° to 180° with the base. The scoring and cutting handle is also spring loaded and returns to the 'Up' position when released. Cutter has a 12" long protractor gauge, 13" long spring loaded front base, sturdy die cast aluminum construction with an extruded aluminum base, a 4-3/4" wide breaker foot and a 4-1/4" long steel protector cap. Cuts 34-1/4" straight & 24-1/2" diagonal. Does not include case.

**Item # AH-870S2**

## Ceramic Tile Cutter

These cutters are made from sturdy cast aluminum alloy and steel for heavy duty service. They score and cleanly break tile and trim pieces without moving the material. All models have the famous 'A' Handle with spring tension to provide automatic adjustment to the breaker bar for straight cuts every time. Cuts 16" straight & 10" diagonally.

**Item # 3-400**

Quality Products Since 1927

# TAVY SPACERS

Each TAVY Tile Spacer is a two-sided spacer. One side is a Cross Edge spacer for use at the intersection of four tiles. The other side is a Straight Edge spacer for use between two tiles. The Straight Edge side is often mistaken as a handle for easy placement. However, the Straight Edge is a fully functional spacer of the same grout line dimension as the Cross Edge spacer.

## KNEE PADS

### Ultralight Blue Knee Pads

These knee pads are famous the world over for starting the comfort revolution! The folding accordion top allows for comfort while standing and the knee pads are totally rebuildable with replacement straps, buttons and liners.

Item # KN-1

### Econolight Knee Pads

Great DIY or casual wear knee pad. Replaceable straps. Foam liner.

Item # EZ-1

## FLOATS

### Economy Float

5/8" molded black rubber with beveled sides. Wood handle, aluminum back.

4" x 9-1/2"

Item # EMF-1

### Multi Purpose Grout Float

5/8" molded black rubber with beveled sides. Wood handle, aluminum back.

4" x 9-1/2"

Item # 71158

## TROWELS

### Journeyman Margin Trowel

1/8" gum rubber pad on lightweight foam pad. Great for hard to reach places.

6" x 2" pad

Item # 70911

### Barwalt Margin Float

This design is a single piece which is drop forged from tough high carbon spring steel and then heat treated. The blades are then taper ground for strength and flexibility. We designed a soft touch, over-molded handle that is well balanced which reduces fatigue on the job.

Item # 70910

# KITS

## Ultra Grouting System

The Barwalt Ultra Grouting System Kit includes a large bucket, two ultra-comfortable cushioned grip handles with grout sponges, and an abrasive and non-abrasive scrub pad for the wall handle.

Item # 81584

## Straight Edge 5pc Set

Tough T-5 tempered aircraft aluminum.  
 Cut from 3" x 7/8" stock with reinforced construction.  
 Sets feature vinyl tote for comfortable transportation.

Item # LSE-1

# SPACERS

## Spacer Chaser

This spacer removal tool has an exclusive fulcrum action that allows for quick spacer removal without damaging the tile before grouting.

Item # 84000

Years of research led to a spacer that would react like a rubber spacer but be hollow, so it will stay in the joint and be grouted over. Now the installer can grout a day earlier and not have to come back to remove the spacers before grouting. The Hollow Spacers will adjust on 10% and not compress further and these spacers are longer to handle the radius corner tiles

<b>Spacer Size (Shape)</b>	1/8" (X)	3/16" (X)	1/4" (X)	3/8" (X)	1/2" (X)	1/8" (T)	3/16" (T)	1/4" (T)

## CUTTING BLADES

### Wide Oscillating Titanium Blade

Featuring UNIVERSAL FITMENT™ for adapter-free use with all major oscillating tool brands, DEWALT Oscillating Blades power through a range of cutting applications, including wood with nails. Durable enough to tackle tough jobs. Fits Fein, Bosch, Dremel, Rockwell, & Porter-Cable.

Item # DWA4204

### Oscillating Fast Cut Grout Blade

With carbide edging for aggressive material removal, DEWALT Oscillating Grout Removal Blades are compatible with all major oscillating tool brands. No adapter required.

Item # DWA4220

## WRECKING BAR

### 24" Wrecking Bar

The 24" Wrecking Bar is ideal for general demolition projects. Designed for comfort and strength, this bar has multiple nail pullers and point bevelled ends for efficient nail removal.

Item # DWHT55129

### 36" Wrecking Bar

The 36" Wrecking Bar is ideal for general demolition projects. Designed for comfort and strength, this bar has multiple nail pullers and point bevelled ends for efficient nail removal.

Item # DWHT55131

## DRILL BITS

### Diamond Drill Bits

Featuring diamond-welded tips for long life and extreme durability, DEWALT Tile Drill Bits power through dense tile, solid-body porcelain, and more. Reverse-spiral threads enable continuous water cooling for quick, clean drilling. Core ejection slots remove plugs for repeated cuts.

ITEM #	SIZE
DW5574	5/16"
DW5576	3/8"
DW5582	3/4"
DW5584	1"
DW5586	1-3/8"

## SAWS & MULTI-TOOLS

### 10" WET TILE SAW

The 69-pound D24000 10" Wet Tile Saw allows a one person set up and transport. Stainless steel rail system is integrated into the tile saw frame, insuring accurate cuts. Rear and side water attachments can be placed on tile saw to catch overspray from large tile to keep the water in the pan. Cuts 24" straight & 18" diagonally. Depth 3-3/4"

Item # DW24000

Stand item # DW24001

### Oscillating Multi-Tool Kit

Includes: DCS355 20V MAX\* XR Oscillating Tool, (1) DCB203 20V MAX\* XR Compact Li-Ion Battery (2.0Ah), DCB101 Charger, DEWALT Oscillating Tool Guide System, (1) Wood with nails blade, (1) Sanding pad, (25) Sheets of sand paper, Accessory storage box, Universal accessory adaptor, & Contractor Bag.

Item # DCS355D1

### MT16 Multi-Tool

Includes: Spring Loaded Pliers, Spring Loaded Needle Nose Pliers, Spring Loaded Wire Cutter, Knife Blade, Serrated Knife Blade, Scissors, Wood/Metal File, Wire Stripper, Phillips® Screwdriver, Small Screwdriver, Medium Screwdriver, Large Screwdriver, Fold-Out Carabineer/Lanyard Hole, Ruler, Bottle Opener, & Can Opener.

## BLADES

### MK-415 Supreme Grade Tile Blades

The MK-415 supreme grade, super hi-rim blade has been designed with a thicker core for high production jobs that require straight and fast cuts. The high rim provides longer life than standard tile blades of similar quality. Ideal for cutting porcelain and vitreous tile.

4" D x .05" W x 7mm Rim Height

Item # 164111

### MK-225 Premium Grade Tile Blades

Premium grade thin-rim blades for porcelain & vitreous tile. The stiffening/cooling slots have been designed to guarantee straight cutting in dense porcelain materials.

10" D x .05" W x 22mm Arbor

Item # 158436

### MK-215GL Premium Grade Metal Bond Blade for Glass

Metal bond glass blades provide smooth chip free cutting and are ideal for production type applications.

10" D x .05" W x 5/8" Arbor

Item # MK-215GL

### MK-925D Flush Cutting Turbo Rim Blades

Flush cutting turbo rim blades for tile, stone and concrete. MK-925FC adapter required to mount on 5/8"-11 arbor shafts.

4" D x .095" W x 7/8" Arbor

Item # 150667

## SAWS

### MK-100 Tile Saw

The MK-100 Saw is built in the MK Diamond tradition of delivering performance and value. The MK-100 has a precision linear guide bar system that is easy to clean and maintain. The thermoplastic water reservoir won't rust or peel and can be removed for easy cleaning. Optional accessories include table extensions to support large tile. One-year limited warranty. Cuts 20" straight & 14" diagonally. 3.17" depth.

**Item # MK-100**

### MK-212 Series Tile & Stone Saws

The MK-212 Professional Tile and Stone Saws are built rugged and portable for use on any jobsite. The powerful 2 Hp direct drive motor is fully enclosed for greater protection. The adjustable built-in miter system allows cuts at all angles from 45° to 90°. The plunge cutting head has a pivoting blade guard for easy blade changes. Cuts 72" straight & 42" diagonal. 12" Blade.

**Item # MK-212-6**

### MK-370EXP Tile Saw

The lightweight and portable MK-370EXP Tile Saw is made to the highest professional specifications. It features a built-in adjustable 45° cutting head that allows for quick and accurate miter cuts. Cuts 18" straight & 13" diagonal. 1.75" depth. 7" blade.

**Item # 159943**

### Saw Tent

The Saw Tent is designed to contain spray and debris when cutting tile or masonry material. You can cut anywhere without the worry of your surroundings. It is easy to assemble and retracts into a small storage bag.

47" X 60" X 62"

## Features:

High diamond concentration electroplated steel  
Precision cuts in corners and near the edges of tile  
For use with most types hand-held drills, including  
cordless drills (800-2500 RPM)

## Specifications:

Cutting Diameter .....1/8" (3-mm)-6"  
Cutting Depth (max) .....2"  
Rim Type .....Continuous  
Chuck Size ..... 3/8 in.  
Avg. Cut Life ..... 30 cuts (when used at low  
RPM and kept WET)

## RTC HOLE SHOT WET SERIES DRILL BIT

Item # HSHSKITW

- Diamond grit edged bit ideal for drilling hard tiles
- Slotted bit design for easy waste removal
- Must be used with water
- Use with handheld drill (800-2500 RPM) or drill press
- Ideal sizes for grab bars, towel racks and shower plumbing applications
- Drill guide works with bit ranging from 1/8" (3mm) – 1-3/8" (35mm)
- Drill Guide equipped with dual 2-1/4" suction cups

## RTC HOLE SHOT DRY DRILL BITS

Item # HSHSKITD

- Diamond grit edged bit ideal for drilling hard tiles
- Slotted bit design for easy waste removal
- Must be used with water
- Use with handheld drill (800-2500 RPM) or drill press
- Ideal sizes for grab bars, towel racks and shower plumbing applications
- Drill guide works with bit ranging from 1/8" (3mm) – 1-3/8" (35mm)
- Drill Guide equipped with dual 2-1/4" suction cups
